College to Hold Banquet Tonight

Trustees Speed Plans for New College Campus

Appointment of an architect, purchase of additional property, and tentative plans for a bond issue, marked developments this week in plans of the Board of Education to acquire a new college plant here as soon as possible.

Ralph C. Flewelling, Los Angeles architect, was named to draw up a master plan for campus development and expects to have preliminary drawings completed by August, it was announced.

The site, which is said to be ideal from the architectural standpoint, is rectangular in shape. The 47 acres are cut by Fifteenth street, but the city has been petitioned to close the road.

The junior college district covers the same area as the Santa Ana High school district, which includes the Santa Ana, Diamond, Greenville, and Paularino elementary school districts.

The assessed valuation of the district is \$30,289,435. There is no indebtedness.

While waiting for the completion of plans and the beginning of construction, the Board of Education will market the orange crop grown on the property, Harold Yost, secretary of the Board disclosed.

Work Started On Fall Schedule of Classes

The first semester class schedule of fall courses is being drawn up now, according to Director John H. McCoy. It is planned to offer all regular subjects as scheduled this year.

Requests for any particular subjects should be left with Miss Helen Joiner in the college office.

New faculty members will be added to handle women's physical education, journalism, and French classes.

To the Second Campus

As the Junior college makes joyful preparation to move to the permanent site on West Seventeenth street, thought pauses an instant to ponder the things we are leaving behind.

Mrs. Robert Northcross, our former dean of women, has written in verse the following feature story of the jacaranda avenue on Birch street. (The Editors)

When Jacarandas Bloom

When Jacarandas bloom, Our Lady Beauty
Walks the town,
Her draperies and veils caught in the tree tops,
Up and down
Sway more blue than wood smoke curls at evening.
All who pass
See chintz patterns, blue and green, her footprints
On the grass.

In after years when we, incredibly,
Are grown old,
Our racing feet, our vaulting dreams, our youth,
A story told,
When Jacarandas bloom, our thoughts will go
Where memories are:
The seats along the walk, the tall pecan,
The deodar,
Up the wide stairway to the windows in
A book lined room—
In memory will live again our spring time
When Jacarandas bloom.

THE GREATEST DON OF THEM ALL

El Don (Annual Fiesta Number) May 17, 1940
By JOHN H. McCOY

Santa Ana Junior college first opened its doors to the public in September, 19, 1915. Only a handful of students responded to its invitation to seek a higher education then, but through the years those first pupils have been followed by hundreds of others.

Hasty judgments need not be drawn concerning any success the jaysee has had since those early days. It will reach the quarter-century mark next month and can be proud of a full 25-year span of faithful and unbroken service to Santa Ana and the local college district.

Many Dons have come and gone during the years. We have had outstanding scholars, staunch athletic competitors, and fine orators. We have had good musicians, good actors and actresses, and our share of good writers. We have had good scientists, artists, engineers, and commerce majors. We have had good printers, mechanics, and shop men.

And with them all this entire quarter-century we have had the guiding hand and influence of Director Dana King Hammond.

He saw the college begin and has watched it grow and prosper. He has given the greater part of his life to its problems and their ultimate solutions. Countless students have sat at his council table.

Today as he joins in the spirit of Fiesta he can know that his faculty is devoted to him; that his students admire and respect him; that his friends are legion.

There have been many Dons who have helped to build the educational platform of the college, and many others who have molded its scholarly life in this community.

But there has only been one Dana King Hammond.
We salute him as the greatest Don of them all!

MISS WATSON RETIRES FROM STAFF

Miss Lella Watson, language and journalism instructor, is retiring this year from the Junior college faculty. She came to jaysee in 1917, two years after it began, and has remained on the teaching staff for 28 years.

Active always in promoting the honor societies and language clubs, she also took over the advisorship of El Don this year and carried it to All-American honors.

Miss Watson received her A.B. and M.A. degrees at the University of Kansas, and holds a diploma from the University of Besancon, France. Her graduate work was taken at Stanford University, University of Sorbonne, France, National University of Mexico, and Heidelberg University.

sity. She taught at Colton High school before coming to Santa Ana.

In commenting on Miss Watson's retirement, Director John H. McCoy said:

"Jaysee loses one of its outstanding faculty members in Miss Watson and we all are sorry to have her leave. I'm certain that we will never have a more faithful faculty member, or one more willing to help in time of need. During the present emergency she has been most co-operative, assuming new duties without a moment's hesitation. I join countless others—alumni, faculty, and friends—in expressing appreciation for her many years of service to the college."

Eleven Instructors Serve Country

The list of faculty in service includes the names of Ensign Gerry G. Block, Navy Dept., Rm. 4821, DCNO-Air, Washington, D. C.

Major C. C. Flint, 0-901732, Headquarters, XXI Bomber Command, APO 17681, o/o P.M. San Francisco, California.

Capt. T. H. Glenn, 14N. Garfield Street, Arlington, Virginia; Norman Hicks, 135 Jersey Lane, Oak Ridge, Tennessee; Lt. Orville M. Knutsen, K.A.A.B., Kingman, Arizona; C. R. Nisewanger, 684 Florida Ave., Pittsburgh 16, Pa.

Capt. K. J. Rohfleisch, 3712 Holmes Lane, Alexandria, Virginia; Col. H. O. Russell, Climatic Hangar Project Officer, Army Air Forces Proving Ground Command, Eglin Field, Fla.

Lt. H. J. Sheffield, 7610 S. La Salle St., Los Angeles 44, Calif.; Lt. John Ward, 1325 N. Olive, Santa Ana, California; and Lt. (jg) Alice L. Smith, W-V (s) USNR, I.N.M., 30, Church St., New York 7, N.Y.

Col. Russell has written the following note to El Don:

Dear Don:
Thank you for writing me in regard to the special anniversary issue of the "El Don." I hope it will be a great success as hundred of Dons in combat zones will be eagerly looking for it. Send my best wishes to all of them.

Yours very truly,

H. O. RUSSELL
Colonel, Air Corps

From Capt. Kramer J. Rohfleisch comes a letter, from which a few paragraphs are quoted below:

"When the Japanese attack finally came on 7 December, I realized that mentally and morally it would be impossible for me to remain in the Junior College. Having held very strong interventionist opinion, ever since my return from Europe, and having watched one student after another go off into some branch of the service, it seemed that the least I could do was to follow.

"Since December 1943 my assignment has been technically "Chief of the Central and South Pacific Section, Combat Operations and 7th Airforces" and has required constant research and writing. To date I have completed two fat volumes on the Guadalcanal campaign and have another well under way. The work is fascinating and unique; all of it provides a rich experience for future teaching. In fact it is such an ideal assignment that I am almost a bit ashamed, in view of the rough jobs which so many of the lads face every day, to say much about it.

"At the moment we look ahead to the Japanese war as enormous undertaking. It will have a rich history to write, but one which cannot be written until the guns are silent. And this they mean that we shall remain here for many more months.

Sincerely,

Kramer J. Rohfleisch
Capt. AC"

Cradle of Santa Ana College

MRS. ELEANOR NORTHCROSS, who was for 24 years dean of women, suggested the idea of an annual fiesta with Spanish theme and motif.

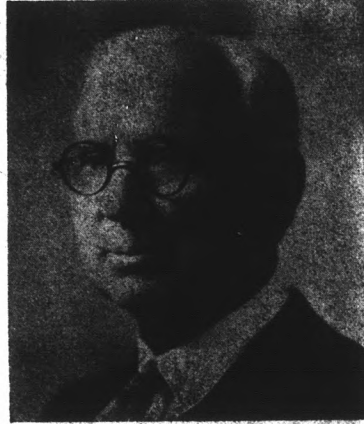

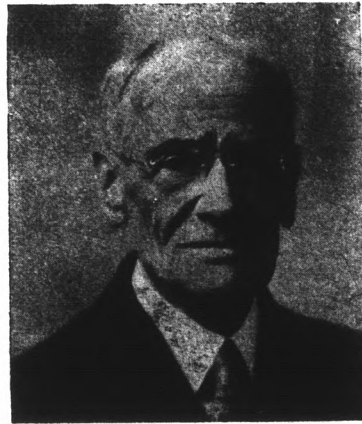

'Muchas Gracias'

From El Don of June 6, 1941
After 25 years of teaching and counseling students at Santa Ana Junior college, Mrs. Eleanor Northcross retires this month. She has been affiliated with the college since 1917 as English instructor and dean of women.

Through all the years she has never lost faith in young people. Though they may have shocked her by their actions, she has always tried to sympathetically understand them and their problems. Though her classes may have been unresponsive during a lecture on Keats, Chaucer, or Tennyson, she has never lost her love for teaching them. Though her students may not have been the best of guests, she has never been tired of inviting them to her home and entertaining them.

For all these things and the important part she has played in the development of the college, say, "Muchas gracias." (editorial)

Students Fete Veterans

From El Don June 3, 1938

E. M. Nealley and L. L. Beeman who have instructed jaysee students in philosophy and political science for 21 and 17 years, respectively, bid adieu to the college at the end of the current semester.

The two veteran faculty members

were feted at a banquet held in their honor early this week by the present teaching staff, students, and the alumni association. Tribute was paid to the two members for the outstanding work they have done as members of the faculty.

Jaysee Loses Champion

From El Don, March 24, 1939

Progressive education in Santa Ana lost a devoted supporter Wednesday morning, with the sudden passing of Dr. Margarete Baker.

Dr. Baker for the past eight years distinguished herself as an active member of the local board of education and sympathized strongly with the classroom problems at Santa Ana Junior college.

Sacrificing health in order to continue her work, Dr. Baker performed services of unparalleled value here asking nothing in return. Repeatedly she led the way for the advancement of liberal education.

We deeply regret the passing of Dr. Baker, realizing that it is to her we owe in part the splendid system of instruction that has prevailed here in the face of growing opposition.

May there be more people who so unselfishly give their lives for the benefit of others.—D.M.

"Faust" Scenes Are Presented by Club

From El Don, June 1, 1932

In commemoration of the hundredth anniversary of the death of Goethe, members of the Santa Ana junior college German class presented scenes from the play "Faust" last night in the high school auditorium.

The characters of the play were Faris Edgar as Faust, Carolyn Mueller as Margaret; Harold Dittmer as Mephistopheles, and Eugenia Bode as Marthe. The play which consisted of acts 8, 9, 10, 11, and 16 of the original, was given in German. It opened with Margaret's rejecting sharply Faust's attempts at overtures, when he meets her on her way from church. The next two scenes included the leaving of the jewels in Margaret's room and Marthe's love-making to Mephistopheles.

The last scene presented was laid in the cathedral, where Margaret had gone to seek solace.

Mrs. Burr Shafer, of the Community Players, directed the acting, while Miss Lella Watson, faculty adviser of the German club, had general supervision of the affair.

Music for the entertainment, consisting of solos, trios, quartette numbers, was furnished jointly by the Fullerton and Santa Ana junior colleges.

Santa Ana musicians who took part in the program, outside of the orchestra and the J. C. quartette, were Everard Stovall, Merrill Bauer, Mary Nau, Holly Lash Visel, and Earl Fraser.

From The Generator, Sept. 30, '15

About two or three weeks before school started the Board of Education decided to begin a Junior College.

The following are the twenty-five who have enrolled so far: Isabel Anderson, Arvilla Ball, Eula Chamberlain, Ralph Chase, Ramona Clevenger, Elizabeth English, Elizabeth Givens, Esther Johnson, Muriel Lee, Florence McArthur, Dorothy Mead, George Parker, Charlotte Ranney, Helen Ramsberg, Elma Salif, Dorothy Skiles, Genevieve Smith, Theretta Taylor, Geo. Debate Title To Be Defended In Clash Here

From El Don, April 25, 1934

Santa Ana Junior college debaters will defend the Eastern Division conference forensic title won last year when they meet San Bernardino orators here next Tuesday evening at 7:30 o'clock for the 1933-34 debate championship.

Walter Kring and Robert Tannenbaum will represent Santa Ana in the important forensic clash, it was announced yesterday by John H. McCoy, Don debate coach.

The local team will take the negative side of the conference question: "Resolved, That the Powers of the President of the United States should be substantially increased as a settled policy." San Bernardino will uphold the affirmative side.

San Bernardino orators defeated Chaffey, Riverside, and Citrus and lost only to Santa Ana during the regular season. Last week they won from Chaffey again in a debate held to select the team that would meet the Dons.

Dr. Touton's talk will take place during the luncheon program which also includes musical and dance numbers and talks by representatives from six four-year colleges, who are to be special guests at the convention.

MORE THAN 200 PARTICIPATE IN BIG PINES SNOW PARTY

From El Don, Feb. 3, 1933

"A great Success" was the tribute paid to the snow party at Big Pines Friday, Jan. 27, by the retiring president, Gene Hall. The Brotherhood of Bachelors sponsored the undertaking which included some 250 students and nearly 100 automobiles.

The ball park in Olive was utilized as a meeting place for the departure early Friday morning. The caravan was under way by 7:30 a. m. and arrived at the mountain resort practically intact, after two and one-half hours drive. At noon the Buccaneers served coffee to the group.

Since the lake was covered with a heavy blanket of snow, there could be no ice skating. However, skiing, tobogganing, and a steady round of snow ball fights were staged. The toboggans, asserted Bill Campbell, attained a top speed of 70 miles an hour.

As a diversion from the snow

sports, many of the couples danced in the Lodge to the music of the Lancaster junior college orchestra.

The thermometer dropped to six degrees below the freezing point, making it necessary for every radiator to be drained.

All Time Record Is Reached

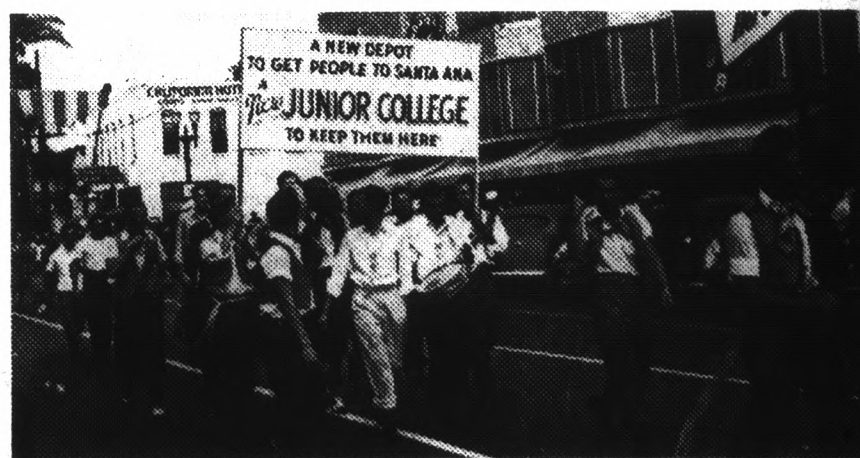

El Don Feb. 28, 1941

Enrollment figures released today by Registrar Mabel G. Whiting, revealed a gain of more than 100 students over the corresponding date last year.

"Although second semester enrollment dropped more than 200 students from the 1186 registration for the fall term, jaysee still maintains an all-time high registration for the year," Miss Whiting pointed out.

She emphasized that the total number of students registered for courses during the school year outnumbered last year's by more than 300. Over 1400 students have registered this year, compared to 1080 in 1939-40.

Santa Ana Athletes Bring Five Championships Home During Past Year

From El Don June 6, 1941
Santa Ana jaysee enjoyed its greatest athletic season in history during the past two semesters. Included in the Dons five championships this year were a national title and two Southern California titles. Only two squads to miss this year were basketball and swimming teams.

possession of the national jaysee title.
Greatest scare of the year for the Cookmen was supplied by Fullerton's Hornets on Thanksgiving day, when the latter was defeated 14-7. A National title game with Southwestern jaysee fell through.

Football
Under the careful tutelage of Coach Bill Cook and John Ward, the Scarleteer football machine rolled through an eleven game season undefeated. Smashing through the entire conference, the Dons beat Santa Rosa 34-6 in the finale and with it received undisputed

Track
From the time the trackmen of Coach John Ward smashed Riverside on March 7, there was no doubt but what Santa Ana had the greatest track and field aggregation in history. The Wardmen steamrolled through all conference opponents and set a new league scoring record while

annexing 109 1/2 points at San Bernardino.

Motoring to El Paso, the team swept to victory in the Southwestern relays. Challenged by Compton, Ward took his forces to the Tartar field on April 25 and captured the Southern California dual meet title with a 72-59 win. The short-pantied boys finished second with 62 digits in the Southern California finals and placed third in the national jaysee meet at Denver.

Tennis
Coach Merle Griset's netmen had little trouble in disposing of all conference opponents and defeated Long Beach Vikings for

their third consecutive Southern California title. With a well balanced team the racqueteers hung defeats on Ventura, Glendale, San Diego State, Santa Monica, and San Bernardino.

The team was tied 4-4 by Pasadena and lost an early season tilt to the Vikings who in the last match of the year bowed before the locals.

Golf
Fourth championship to come to Santa Ana was under the direction of golf coach Chick Shields who guided his team to victory in the annual Southern California tournament.

The small squad has a team

total of only 855 strokes in comparison with Pasadena's 866, Santa Monica's 870.

Baseball
Coach Joe Koral made his debut as baseball head a notable one and led his nine to the Eastern conference championship, winning all league game's except the tilt with Pomona's Raiders.

Santa Ana Defeats Conference Foes to Retain Pigskin Crown

From El Don, Dec. 5, 1941

Rolling through its '41 conference schedule untied and undefeated, the Santa Ana Dons have cornered their second consecutive Eastern conference pigskin crown. In their 11 games, the scarlet and black amassed a total of 277 points to 59 games for the opposition.

The only setback received by the local eleven was a 20-7 contest dropped to the Pasadena Bulldogs early in the season in a non-conference tilt in the Rose Bowl. Following is a brief resume of each game:

Dons 20; La Verne 0
Santa Ana opened its '41 season with an easy victory over a small bunch of invading Loyola frosh players. The frosh were unable to cope with a Don ground and air offense.

Dons 25; Santa Monica 6
Although they were still missing their blocking assignments and erratic in their tackling, the Cookmen managed to down the Corsairs. There was still no indication of the strength of the locals.

Dons 7; Pasadena 20
Facing a team that played heads-up football and capitalized on the breaks, the scarlet and black dropped its first game in 15 starts. Psychologically speaking, this was a welcomed defeat, for now the Dons knew that not every team was scared by the prestige gained in 1940, when the locals won the national championship.

Dons 53; Sacramento A.C. 0
Bouncing back from its Rose Bowl defeat, the Cookmen journeyed north to completely overwhelm the clubsters. This was the first hint of the power that the Dons could generate.

Dons 26; San Bernardino 7
Led by Earle "Pruney" Parsons, who scored three touchdowns in seven minutes, the scarlet and black downed the Indians for its first conference win of the season.

Dons 27; Loyola 7
Caught in the path of the Cookmen's victory march, the frosh were rolled under by a devastating pass and ground attack. A strong Don line held in check all Loyola offensive threats.

Dons 35; Chaffey 6
Scoring almost at will, the scarlet and black gridsters left the Ontario field with their second conference victory tucked under their arms. Quarterbacks Joe Margucci and Bill Gulley end passed the Panthers into the ground.

Dons 19; Riverside 13
Victors over the highly touted Fullerton Hornets, the Riverside Bengals came into the Municipal bowl determined to overthrow the conference leaders. Fighting one of its toughest games in the '41 season, the locals defeated the Bengals in the last few minutes of play when Gulley fired a perfect strike for a touchdown.

Dons 20; March Field 0
After Pomona was forced to forfeit its game with Santa Ana, the Cookmen invited the fliers for a nocturnal tilt and displayed its poor hospitality by trouncing the airmen.

Dons 6; Fullerton 0
With the '41 conference crown at stake, the Dons and Hornets meet in the local bowl for their annual grid "titantic." In a game that was featured by brilliant runs and pass plays, the locals managed to down the fighting Hornets before a capacity crowd of 15,000 fans. Margucci played one of the best games of his career and was

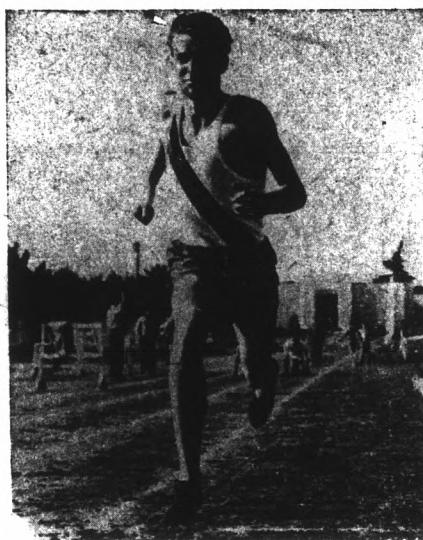

easily the best back on the field.

Dons 39; San Mateo 0

Ring down the '41 football curtain, the Dons outplayed, outfought, and outscored the Northern California jaysee champions, the San Mateo Bulldogs. Meeting in the Bulldogs the toughest line they had faced all season, the Donmen took to the air and completely demoralized the northern boys.

Dons 13; Loyola 0
Opening the 1940 pigskin season, the Santa Ana Dons came out on the long end of a 13-0 score against the Loyola frosh.

Dons 32; Corsairs 0
The local gridsters displayed their first indication of being a powerhouse team against Santa Monica as they rolled up a 32-0 score.

Dons 13; Bulldogs 6
Deadly blocking featured a 13-6 victory over a stubborn Pasadena Bulldog, which was able to shake loose Jake Leicht, lightning backfield ace only once.

Dons 20; San Mateo 0
Hot weather did not stop the Cookmen as they traveled northward to San Mateo for a 20-0 win. Pruney Parsons tallied early in the first quarter with a 74 yard jaunt while Bill Joseph galloped 50 yards for a touchdown in the last few seconds of play on an intercepted lateral.

Dons 27; Bengals 3
In the only postponed game of the year, Coach Bill Cook's forces had to come from behind and score twice in the third quarter to win 27-3 over the Riverside Bengal.

Dons 58; Raiders 6
Scoring two touchdowns in the first two minutes of play, the Dons ran up the second highest score in college history in routing the Red Raiders of Pomona 58-6.

Dons 40; Indians 0
Displaying a fine pass defense, the red and white team turned on their powerhouse attack as they steam-rolled over the San Bernardino Indians 40-0.

Dons 14; Hornets 7
Unable to show any running power against their Thanksgiving day rivals, the Fullerton Hornets, the Dons took to the air for their first touchdown and blocked a kick for their second score in a 60 minute thriller which the locals captured 14-7.

Dons 34; Santa Rosa 6
Marching to their eleventh victory of the year, the Dons crushed the Bear Cubs of Santa Rosa, 34-6, in the only post-game of the season. The Cookmen seemingly scored at will in playing a wide open game.

terrific battle.

Juggles Men
Unable to hit upon a winning combination, Coach John Ward is still juggling his players in an effort to find a group of five men who work satisfactorily together and can hit a winning stride.

Meanwhile, Doug Smythe, Brave coach, is reported to have a well-balanced team composed of several veterans and also several promising freshmen. Smythe also lead the football fortunes of San Bernardino jaysee last fall.

Until Ward can find a smooth-working quintet, the Dons will rely heavily on the scoring ability of their ace guards, Hal Lilley and Jack Klein.

Four of the starting lineup tonight are freshmen, when rated by basketball eligibility. Whitey Kluewer, who is a sophomore, is using his first year of basketball eligibility.

Opening tonight's contest will be Jim Faul, and Kluewer at forwards; Bob Agnew at center; and Lilley and Klein at guards.
